The screenshot shows the Microsoft Update Catalog interface. At the top, there's a search bar with the text "windows 10 1803 x64 8/*/2019". Below the search bar, it says "Search results for 'windows 10 1803 x64 8/*/2019'". There are navigation links for "FAQ" and "help". The main content area displays a table of updates. The table has columns for Title, Products, Classification, Last Updated, Version, and Size. There are 6 updates listed, each with a "Download" button. A "Previous" link is visible on the right side of the table.
